Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	<p>The proposed location also seems entirely logical as it continues the line of the new development that already exists, recently built.</p> <p>I regularly drive through the road near the proposed site and wanted to comment in support of the application. From my experience the road is generally quiet and I personally have never found it to feel unsafe.</p>

Kind regards
