Ok thanks for confirming Tracy.

The Path Link Scheme is acceptable. I hereby confirm that the obligation (Clause 6.1 of the First Schedule) has been met in respect of the District Council's approval of the Path Link Scheme.

Kind regards

Stuart

Hi Stuart,

Thanks for your e-mail.

I can confirm that it is our intention to update the plans prior to determination.

The updated/proposed footpath route has been added to the (soon to be submitted) revised landscape plans, as it was a point raised by the Landscape Officer.

We are just waiting on some info on one of the pieces of play equipment and will resubmit.

Kind regards
Tracy

Hi Tracy

I refer to the below submissions. I note the changes to the path link and understand the reasoning behind it.

I'm conscious however that the path link as submitted means that this element of the scheme does not tally with the submitted landscape plans which are at discharge of condition stage. Please confirm it is your attention to update these other plans prior to determination.

Thanks

Stuart
