Subject: Letter in support of DM/25/2223 Saint Hill RH19 4JY

[REDACTED]

DM/25/2223
Saint Hill Manor, Saint Hill Road, East Grinstead, West Sussex, RH19 4JY

This letter is in support of the above planning application

As a regular attender of charity events at Saint Hill, I experience occasions when there is insufficient parking in a muddy field which overflows onto the sports club parking on the opposite side of the road.

This leads to a dangerous conflict of pedestrians and vehicles. People criss-crossing the road, especially at night, are in serious danger of being injured. Vehicles entering and leaving the site add to this confusion causing disturbance to users using Saint Hill Road as a throughfare round East Grinstead

The proposed surface for the parking areas is necessary to avoid damage to the ground which takes time to recover after inclement weather. This hard surface will allow grass to grow through and reduce the visual impact when not being used.

Events at the site make a valuable contribution to the local community.

This proposal will provide better traffic management, safer road access and improved parking and should be fully supported
