Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Substitution of Sherwood house type for the approved Barnwood at Plot 242; omission of foul pumping station and electrical sub station (southern phase); Revisions to Handing of Floorplans and Elevations for Plots 195, 199, 202, 203, 204; Revision to Materials Plan for Plots 236 and 237; Minor re-siting of garage and boundary of Plots 190/191; revisions to disabled parking bay numbering for Block F.

Please state why you wish to make this amendment

The electrical sub station and foul pumping station within the southern phase are not required. The house type substitution at plot 242 is required as the entrance to the Barnwood house type would be obstructed by the parking bay serving this plot. The handing revisions to Plots 195, 199, 202, 203, 204 are required to correct an inconsistency between the floor plans and elevations. The boundary between plots 190 and 191 is to be moved northwards by 1m and the garage is also re-sited by 1m to meet Building Regulations requirements concerning the spread of fire at boundaries. The revisions to the disabled parking bay numbering for Block F is to correct numbering on the approved layout plan.

With respect to the Authority, is the applicant and/or agent one of the following:

(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
