Attn mr S Galyas

Reference the application for certificate of lawful existing use for the 4 wheel driving course !

Having lived close to this site in question for over 10 years we aware of the existing use but have only ever seen the site used for this activity On the first Sunday of every month !

We have never seen use on other times and Would consider increasing this use as pretty Anti social and detrimental to the area .

I still find it strange that a use such as this was Allowed within an ANOB and within a mature Woodland ! I believe a high number of the trees within the site would be subject to TPO In other locations and as such damage to roots is a serious consideration.

Please reject the application .
