| Reasons for comment: |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Comments:            | As a professional equestrian trainer I support the change of use to facilitate the safe handling and exercising of the applicants horses particularly as the property is surrounded by busy roads which in my opinion are not safe to exercise horses on. A properly surfaced track and an all weather turnout area will guard against painful skin ailments that horses suffer from when exposed to muddy conditions - the soil in this area is heavy clay and likely to be waterlogged for many months of the year. |

Kind regards
