Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This is a very poorly thought out plan, the road that the new build will enter and exit from is fast moving and would be a accident waiting to happen. As a town we are swamped with new builds that are not selling, so why on earth would you give permission to

build more houses and destroy natural habitat when it is not needed. Please DO NOT GIVE PERMISSION. for these houses.

Kind regards
