Hi Claire,

Please find attached the updated plans, which include the addition of side window to existing and proposed external side view, as well as updated block plan.

I hope that's all ok, but please let me know if you need anything else.

Kind regards,
James

Dear James

RE: Planning Application DM/26/0972 – 11 Barnfield Balcombe

Thank you for your amended plans relating to above. Please be advised on reviewing the plans again the following issues were found.

On the existing elevation plan there appears to be a small side window missing. Please compare the existing floor and existing elevation plans (It is the small window to the sitting room) . Please amend both the existing and proposed elevation plans.

Again The Block / site plan submitted is not measuring to scale. Please amend the Block Plan ensuring it is to a scale of 1:500. Please outline the application site in red (Please see example drawing guidance). The plan should be on an up-to-date base map with the buildings and access roads and a substantial area around the proposed works shown. **You may wish to use and purchase a Block plan from any digital online map service provider, for instance Ordnance Survey, Pro-map Streetwise or the Planning portal map service etc.**

Please do not resubmit through the planning portal. Please send email your amended Plans to planningvalidation@midsussex.gov.uk

Kind Regards

Claire Bulmer
