Dear Richard and Hannah

As I finalise my recommended planning conditions for the above application I would like to refer to the Arboricultural Method Statement and Tree Protection Plan by AT&C Arborist Training and Consultancy Ltd, received on 26.09.2024 under DM/24/0792 in my recommended planning conditions (transferred from that decision). I note that these documents have not been submitted under the current application.

Please can I have your agreement to the documents being added to the current application file? If possible can you send them to me so I can upload them directly. If not I can do this from the existing planning file, subject to your agreement.

I look forward to hearing from you.

Regards

Anna
