What was the original application type?

Full planning permission

For the purpose of calculating fees, which of the following best describes the original development type?

- ☐ **Householder development:** Development to an existing dwelling-house or development within its curtilage
- ☒ **Other:** Anything not covered by the above category

Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Introduction of 600mm parapet to resident terrace to provide privacy screening from ground floor as well as an increase in glazing height to 2.1m to ensure resident safety.

Amendments to fenestration in ground floor lounge, first floor lounge above (south west elevation) and amendment to first floor activity room to include wider door.

Please state why you wish to make this amendment

Changes to the terraces will prevent the loss of privacy and dignity to residents who may be unaware of the view to the terrace from below. The increase in glazing height is associated with the safety of resident who may have dementia who could climb a lower 1.8m screen.

Changes to the fenestration will provide a better connection to residents with the garden space to the south west of the site while the first floor change to the lounge will has been made to increase light to the lounge whilst also ensure continuity of the elevations.

Change to the fenestration to the activity room will ensure better access to the terrace is achieved for residents.

Are you intending to substitute amended plans or drawings?

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

☐ Yes

☒ No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

☐ Yes

☒ No

Declaration
