Dear Ms Roberts

Thank you for your recent emails we received on 26 April 2026.

Please can I ask for your full postal address, including the house number, so we can register your comments to be viewed online? This is because we no longer put names up on the planning register, just the address. Any personal details such as your name and email address, will be blanked out.

Please resend your comments and address to us in a new email so we can put your comments on the online register for you. Alternatively, you can enter your comments direct on the planning register, which will automatically remove your personal details. Please see link as follows:
[View and Comment on Planning Applications - Mid Sussex District Council](#)

Once we have received your address, the Case Officer will be able to consider your comments for the application DM/26/0946 which's status is still pending.

Regarding the application for DM/23/2259, Erection of an 8-storey building comprising of 38 flats (21 x 1 bed and 17 x 2 bed) with associated landscaping, parking and refuse stores., this application went to the Planning Committee and was approved.

All plans for the development and documents, including the Committee Report, dated 02/07/2024, using the same link as above, are available to view, by clicking on 'View associated documents'

All associated documents for the current application are also available to view online, using the link and reference DM/26/0946.

Kind regards

Sarah Valentine

Hi

I live next to central house. A year ago we were told that our bottom car park was shutting due to building coming from central house. 90% of the people in our bustling park there. But because it's not in the contract (it's wrong, should be illegal) they were happy sending 20+ cars elsewhere. They have 10 spaces out front of our flats that's always blocked. They gave no alternative. They then held off because none of us moved. 6-12 months they said. It's been 16 months and now this.

If this is going to happen I can't agree with it. I need my car nearby as I have a baby. But I also need to use the car.

I need proof it won't affect The Wardian at all. If it does I will be making sure every single flat complains. We won't be silenced this time. We live here! We need to be able to park!

Thank you
