Job description: 2 Ash trees to be taken out leaning over into a garden behind (house is in the Flowers close) . Second tree will be a dead ash tree to be taken out that is leaning over parking area as you come in on the left hand side. Next to that ash there is a taller more established ash tree (roughly 60 ft tall) where we will be taking the limb closest to the side of the beacons completely off due to a cavity that is open and could easily get worse due to the size and weight of the limb that its on. All of these trees that are being taken out will be taken down to ground level or as close as we can to it. All waste and materials of the job will be taken away.

Arrival will be in January, exact date will be sorted when the quote is accepted Jamie, Mark, Milo and Xavier will have completed all work that is due on the date that is confirmed.

Quote number : 103
Terms and conditions: Payment must be paid in full within 10 days after the job is completed. If the work is cancelled or moved 10 days prior of arrival, a 35% fee of the full price of the job will be executed for the inconvenience and job bookings that could have been taken out on that day.
