Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The Lynns has 4 direct neighbouring properties. 3 have objected due to safety, their own signals within their own homes being interfered with, the aerial was erected without planning, it is a commercial aerial, out of keeping with a village setting, close to adjacent properties and a B road. The only direct neighbouring, [REDACTED] [REDACTED] house and mine. My ability to work at home is being impacted as is other neighbouring properties and the aerial is likely to cause damage to my house, neighbouring houses and the B road. [REDACTED] [REDACTED] If he cannot maintain a boundary, he cannot maintain an incredibly tall commercial aerial which he does not need for his business

Kind regards
