

Potterton Assure 30kW Combi Gas Boiler

Manufacturer	Potterton
Boiler Model	Assure 30kW Combi Gas Boiler
Condensing boiler?	Condensing
Energy Efficiency Rating	93%
Energy Band	A Rated
LPG model/Conversion kit	No
Manufacturer Warranty	2 years
Heating Output	30kW
Wall Mounted or Floor Standing	Wall Mounted
DHW Flow Rate	12.2 l/min
Total Cost	£1,532 - £2,032
ERP Rating	A Heat A Water
Hot Water Max Output	

Product Description

The Assure 30kW Combi Gas Boiler from Potterton is a condensing unit with an efficiency rating of 93%. The efficiency rating of a boiler is how much energy is lost during the process of producing heat and hot water. The higher the energy rating, the more efficient the boiler is. The Assure 30kW Combi Gas Boiler is A Rated, meaning it will help keep your carbon footprint down and save you money on your energy bills.

This Wall Mounted boiler has a maximum central heating output of 30kW and a domestic flow rate of 12.2 l/min.
