

Application for Lawful Development Certificate – 6 Chichester Way

This application seeks a lawful development certificate (LDC) for a modest rear extension proposed to the above property.

- The proposals comply with the measurement requirements of Permitted Development.
- Preapplication advice was sought and obtained under reference DM/25/1594. Refer for officers view (supportive).
- The construction will be of matching materials to the host dwelling.

An adjacent property has been extended in the same manner and was provided an LDC.
