SPECIALIST ARCHAEOLOGICAL ADVICE

Dear Anna,

**RE: DM/25/0240 - Discharge of planning condition no 15 relating to Reserved Matters application DM/23/2688.
Woodside Grange, Woodland Road, Hassocks**

Thank you for consulting the Historic Environment Advisor to Mid Sussex District on the above discharge application.

No historic environment objections

Recommend partial discharge of condition	X

The submitted archaeological evaluation report suitably outlines and interprets the results of a scheme of archaeological trial-trenching on the proposed development site. As a result, I am happy to recommend the discharge of Condition 15(ii) and Condition 15(iii). No further archaeological fieldwork is required in relation to this application.

Condition 15(i) requires the submission and approval of a Written Scheme of Investigation (WSI) to the local planning authority. An acceptable WSI has been viewed by this office but has not been submitted with this discharge application; if this WSI is submitted I would also recommend the discharge of Condition 15(i).

If you have any further questions please do not hesitate to contact me.

Yours sincerely

Mark Baister, BA MCIfA
