Hi Steve,

I support the off-site units purchased, which has been allocated to a Biodiversity Gain Site (BGS-140524001), registered on the Biodiversity Gain Site Register.

As a result, I would support the discharge of the relevant condition. However, if you would like formal comments, please send a formal re-consultation request!

Kind regards,

Hamish

Hi Hamish

Following on from the previous correspondence regarding the above conditions discharge application, I've now received the attached from Barratts regarding the purchasing of off site credits. Could I ask for your comments on the attached please.

Regards

Steve
