

Application reference: DM/25/1846

Site Address: 3 Isewoods Way, Haywards Heath

Site Visit Date: 30.07.2025

North – Existing rear garden amenity space with narrows in moving to the north where a single storey neighbouring garage outbuilding is positioned. The rear garden steps up slightly to the rear of the site.

South – The properties existing rear elevation has not previously been extended and double doors at ground floor level lead out onto a patio area.

East – Adjacent neighbouring property which features a highly comparably appearance to the application dwelling in external materials and a closeboard timber fence separates the two sites.

West – Nearby neighbouring properties at Trubwick Avenue where the neighbouring rear elevations are orientated to face out towards the application dwelling.

Streetscene – Some visual variance throughout the street scene in facing materials and further variance between terraces and detached dwellings.

Other -
