MID SUSSEX DISTRICT COUNCIL

DM/25/0912

**2 Atkinson Gardens, Burgess Hill, West Sussex, RH15 0XH, , ,
Trees behind garden border fence to be cut back by the approximate 2 metres back to the fence
line. Remove two lowest, secondary branches of oak back to trunk.
Mr Graham Meeres**

Permission is sought for the works as described.

The application has been amended slightly to more accurately reflect the works and to reduce the impact on the trees, which are mature specimens, located just outside the rear garden boundary of the property. There is some public visibility and the trees provide a buffer and an important wildlife corridor.

Works relate to secondary growth only and will increase light to the garden. There will be limited impact on the long term health or amenity value of the trees.

Permission is recommended.

Decision: Permission
