Dear Katherine Williams,

Your Ref: DM/24/2716

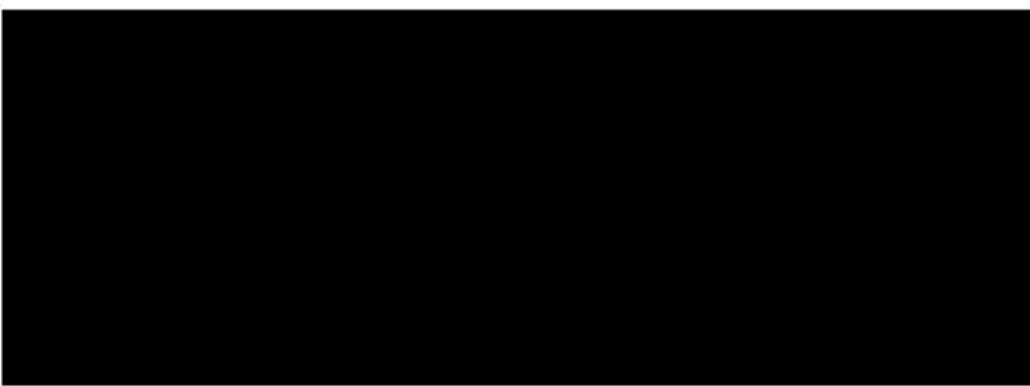

We write to submit a section 73 application to vary condition 2 and 4 of the above planning approval, and replace the following drawings:

Replace drawing:	With drawing:
2332(21)001 Rev B	2332(21)001 Rev C
2332(21)002 Rev A	2332(21)002 Rev B
2332(31)000 Rev B	2332(31)000 Rev C
2332(31)001 Rev B	2332(31)001 Rev C
2332(41)000 Rev B	2332(41)000 Rev C

As part of the design development following the planning approval, the flat roof of the rear extension has been redesigned, and it is now proposed that only the Western section will be used as an external roof terrace. The remaining flat roof area will be covered in a sedum roof and a glass balustrade will be installed between the two parts of the flat roof to ensure that the new Sedum roof area will not be accessible for anything other than maintenance. The proposed timber screen on the Eastern end of the flat roof has subsequently been removed. All of this is reflected and clearly labelled on the amended drawings which have been submitted as part of this application.

Please do not hesitate to contact me if you have any queries with regards to this application.

Yours sincerely,

Juliet Welshman
