Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	No objection to the new cladding - it looks well installed, enhances the look of the cottage and I assume makes it more energy efficient. No objection to the car port and opening through the garden wall at the rear. It seems reasonable to have safer access to the cottage away from the busy road.

Kind regards
