Hi Rachel

Further comments on the above planning application.

Firstly, I have read and considered the submitted heritage response note, but I do not find that this alters my position in respect of the affected heritage assets.

I note also the revised masterplan received 16<sup>th</sup> October, which includes some minor changes to layout and landscaping. These minor alterations do not materially affect the impact of the proposal in built heritage terms, and as such my previous comments and the levels of harm identified therein remain pertinent.

Thanks,

Emily
