Subject: Late consultation on DM/25/1024 and DM/25/1025 - Providence Farm, Colwood Lane, Warninglid

Dear Drainage

I apologise for my late consultation requests for the above applications. This follows on from my site visit today and a detailed investigation of the planning history for the developments underway at the site.

There was an original application under DM/17/0493 for the conversion of 2 buildings on this site.

Under DM/21/2443 – Condition 3 of DM/17/0493 (drainage) was discharged.

The current applications have been supported by Planning Statements, which refer to drainage being a consideration for both of the current applications.

I shall therefore be grateful for Drainage comments on the submitted details for both applications DM/25/1024 and DM/25/1025. Your engineers may also need to review the drainage submissions that were approved under DM/21/2443.

Please contact me if you need any further assistance.

I look forward to receiving the comments asap.

Regards

Anna
