Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

Please see amended drawings to show REVISED ROOF PITCH ie this follows the same roof pitch as the existing build, without amending the roof height in any way.

therefore in place of a 22 degree pitch currently passed, we would like to follow the existing build 33 degree pitch - with a flat roof section at the agreed roof height, therefore no change in the latter roof height.

This would then enable us to match the existing roof tiles and end up with a better frontal appearance overall, more in keeping with existing build. This is purely a design change

If you wish the existing condition to be changed, please state how you wish the condition to be varied

Please see above
