### Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I fear that this development will impact on my father who lives at no 2. He is 90 years old and can well do without the noise and disruption that this will cause him and his neighbours. Also the facilities in the village cannot cope with the existing population, I can only see the stretched services being stretched to breaking point.

Kind regards
