Dear Lisa

Thank you for your email.

I have tried to call you to discuss this application this afternoon, but I am unable to get an answer.

I have a number of concerns and I do need to request an Extension of time to determine this application.

There are a number of issues that I would welcome the opportunity to discuss, relating to design amendments and the representations which you can view on the online planning register on the MSDC website at [Simple Search](#)

I look forward to the opportunity to be able to talk with you, ideally via a Teams call, so we can share the plans for discussion.

Regards

Anna Tidey

Dear Anna Tidey,

I hope you are well.

Can you please confirm if the Decision will be issued today or if an extension of time is required. This will enable us to manage expectations regarding the application.

I look forward to hearing from you.

Kind Regards,
Lisa Pitters
