1 Grange Close
Burgess Hill
RH15 0RZ

12 December 2024

For the attention of:- Mr Andrew Watt

Application No. DM/24/2563

Proposal. 4 bedroom dwelling at rear of 17 Valebridge Road, Burgess Hill, RH15 0RA

We are very concerned about the above planning proposal in regard of the above property which will affect us as follows.

1. The proposed new build will over look our property which will be an infringement to our personal privacy.
2. The appearance will be a monstrosity which will have a bad affect on the outlook for residents in Grange Close.
3. Our garden is will have the added noise of cars which will be happening at the bottom of our garden.

My husband who is 85 years old does not want the upset of the noise etc that will occur if the above proposal goes ahead which is not fair or good for him.
