Reasons for comment:	
Comments:	The disruption that the closing off of Hanlye lane and the other roads is too much . We have literally just had Hanlye lane closed for a few weeks and the load and stress of that traffic on the rest of the area was intolerable. Additionally, the plan for so much housing in a green area where the previous development has caused so much damage to the environment is unacceptable. Lastly, surely mud Sussex has developed enough and has met all

the needs of local housing as evidenced by a very slow housing market where there is too much stock. More housing puts too much strain on secondary schools and healthcare if the area.

Kind regards
