Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Yet more new housing destroying our local countryside. Causing congestion in a busy area. Putting pressure on the local schools and services. Let alone the disruption to traffic that uses Hanlye lane & Balcombe Road which will undoubtedly happen when the road is closed to build the infrastructure. Blocking access to Cuckfield via Hanlye Lane and forcing traffic to use one road in and out of the village causes massive traffic congestion

issues in Haywards heath. Meaning children are late to school
