Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We write to formally object to the proposed development. There are already 2 supermarkets in very very close proximity to this site already servicing this need and this side of Haywards Heath. If the company wishes to build a store we suggest it should look to alternative sites to the south of the town where there are not any supermarkets. The traffic situation around the train station is already congested and this store would only exacerbate the issue for local residents

and the free movement of traffic across town. The number of car parking spaces advertised are not sufficient to alleviate this problem as can be seen by the similar premises in East Grinstead and Crawley.

Kind regards
