Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	The extension is of similar depth to those built at 32 and 22 Grand Avenue and with additions at 24, and our own at 30 and the supersized extension at 36 it is absolutely in keeping for these 1930s properties to be extended to allow for a growing family.

Kind regards
