Subject: Comments on Planning Application DM/25/2223

Dear Planning Services,

I am writing regarding planning application **DM/25/2223** for the event area at Juhring and Hobbs Field, Saint Hill Manor.

Generally, the proposal seems okay, but we are very concerned about the potential for noise. If there is too much noise from these events, we will be deeply troubled and disturbed in our daily lives.

Please consider strict noise limits and restrictions if this application is approved.
