Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Supporting as the new plan has the entrance to the estate via the current Hurst farm entrance rather than through the main

Wychwood estate which would be unable to cope with the level of traffic.

Care home will also now be relocated nearer the entrance.
I do not support the original application which takes access through the Wychwood estate.

Kind regards
