DM/25/2557

**Adj To 9 Parkside, Hassocks, West Sussex, BN6 8BL, , ,
Sycamore Tree (T1) - Reduce crown overall by approx 2 - 2.5 metres and no further than previous
pruning points.
Emma Cooke**

Permission is sought for the works as described.

The tree is located just outside the rear boundary of the property, within Adastra Park. It is a semi mature specimen, which has previously been reduced. Visibility is limited to views from Adastra Park.

The proposed works will increase light, and reduce overhang into the garden, without harm to the long term health or amenity value of the tree.

Permission is recommended.

Decision: Permission
