

Material change from through coloured render to stock brick facings following the comments received from the Conservation Officer in connection with Planning Application reference DM/25/1966 : Colwood, Halton Shaws, Hurstpierpoint, BN6 9QR.

The following is a general image with a focus on a brick choice that has some colour variation and interest across a broadly red colour palette:

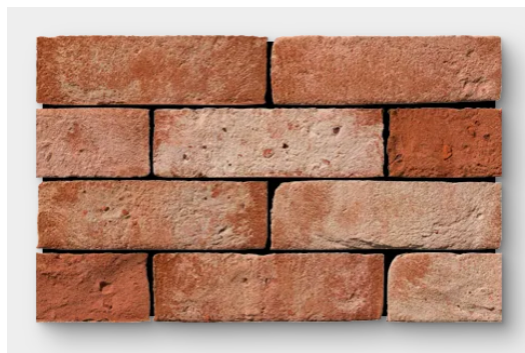

The following sample extracts show stock brick facings available through Ibstock that reflect the intentions of the brick choice:
