I write to register my objection to the application by Naked Farm for a certificate of lawfulness in relation to its intended development of a slaughterhouse (Application Reference DM/26/1402).

I am deeply concerned that granting this application would prevent any proper public scrutiny of the proposed plan for a slaughterhouse. I feel strongly that the development of a slaughterhouse represents a material change in the use of the land from how it is presently used. I therefore invite the Council to reject the application so that there can be proper public scrutiny and the opportunity to register substantive objections should Naked Farm decide to apply for planning permission. I will of course consider carefully any such application should it be made before deciding whether to object, but do wish the Council to be aware at this stage that I consider it is very important that I am given the opportunity to register any substantive objections that I may have to the development of a slaughterhouse on this land.

Yours for a cruelty free world,
