I write to register my objection to the application by NAKED FARM for a certificate of lawfulness in relation to it's intended development of a slaughterhouse. I am deeply concerned that granting this application would prevent proper public scrutiny of this proposed plan of said slaughterhouse. I feel strongly that this development represents a material change in the use of land from how it is presently used. I therefore hope the council will reject the application so that there can be proper public scrutiny and the opportunity to register substantive objection should NAKED FARM decide to apply for planning permission. I do wish the council to be aware at this stage that I consider it is very important that I am given the opportunity to register any substantive objection that I may have to the development of a slaughterhouse on this land. I also ask that you consider the People that live in surrounding areas. Thank you.
