Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the new houses and any removal Of trees . I do not want to look at concrete , whether that be houses or a wall!! More houses are not required in this area. New houses locally are not selling ! There is not a demand. The only demand is for electricity and water. We have constant power cuts . We also have a hosepipe ban, we do not have the water supply for more houses . Transport links are very poor. More houses will

only increase the demand on water supply . The effect of more fumes from cars will also increase, damaging the heath of those that live here.

Kind regards
