[REDACTED]

Dear Ms .Fisher

Objection Letter

[REDACTED]

The A272 is a very fast and busy road , so the increased density of traffic will be a major concern regarding congestion, and safety .

There is no connectivity between the site with schools , shops and other amenities .

The development of the site will be harmful to the Lewes Road Conservation Area .

I hope that you will consider the effects this will have on the Lewes Road and the environment if successful and you will turn down the planning application .

Yours Sincerely ,

[REDACTED]
