Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to increasing the size of the second window on the south elevation. The existing window is single pane and they propose increasing it to a 3 pane window. The window is directly on the Manse's boundary, looking onto my land and directly into my downstairs bathroom. It should remain as per the existing size, so as to not encroach on The Manse's privacy and its inhabitants.

Kind regards
