Commenter Type: Neighbour or general public

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: How many times does it need to be said that an access position on West Hill is dangerous!! The West Lane access is dangerous enough, we do not need another access/exit point, I see near misses every day as the hill is too fast as it is and you will be

accountable for all future ones if you are stupid enough to allow
this to happen!!!

Kind regards
