DECISION DATE: 30 APR 2026

**CASE OFFICER: ANDREW HORRELL -
ANDREW.HORRELL@MIDSUSSEX.GOV.UK**

The Council hereby **REFUSE LISTED BUILDING CONSENT** for the above works as shown on the submitted application and plans, for the following reasons:-

1. The proposed side extensions and the new porch due to their form and design, would result in unsympathetic additions to the dwelling that would detract from and in part overwhelm the historic core of the building. The location of the bin and log store and painted metal gates in terms of material would be harmful to the setting of the listed building.

As such there would be an harmful impact to the special interest of the listed building. The harm is considered to be less than substantial and thus para 215 of the NPPF applies. In this case there are not considered to be any material public benefits resulting from the development that would outweigh the identified harm. The proposal is therefore considered to be contrary to the requirements of policy DP34 of the Mid Sussex District Plan, the requirements of the NPPF and Section 16 of the Listed Building and Conservation Area Act 1990.

INFORMATIVES

1. In accordance with Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015, the Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern with the proposal and discussing those with the Applicant. However, it has not been possible to resolve them. The Local Planning Authority is willing to provide pre-application advice in respect of any future application for a revised development.

APPEALS TO THE SECRETARY OF STATE

Notes for Applicants

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 6 months (8 weeks in the case of advertisements, 12 weeks in the case of householder or minor commercial development) of the date of this notice *(see exceptions below)

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on Tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.uk](#).
