Reasons for comment:

Comments: Re amended plans 21.05.26

Please log our original object.

We are also objecting to the removal of the very old/ mature trees at number 48 Wickham Way. These trees are a significant and irreplaceable feature of the local environment. Due to their age and scale they provide substantial environmental benefits for wildlife and the replacement of newly planted much smaller trees can not compare. For these reasons I respectfully request the application to be refused.

Yours faithfully

Kind regards
