Reasons for comment:	
Comments:	The new development will surely have a huge effect on surrounding areas. Much more traffic causing even more road damage and hold ups. Even more strain on water supplies and nowhere for excess water to run off when we have torrential rain. The cost to the environment by building on more green land. Will there another doctors surgery built or dentists to accommodate all the new people? As it's already a struggle to get appointments as it is.

Kind regards
