Reasons for comment:	
Comments:	I wish to register my support for planning application DM/26/0073 relating to the proposed development of 44 new homes on land off West Hoathly Road, East Grinstead. I consider the proposal to be an appropriate and sustainable form of development that will contribute positively to meeting local housing needs. The provision of new homes, along with associated infrastructure, landscaping, drainage, and highway improvements, represents a well-planned scheme that makes

efficient use of the site.

The inclusion of suitable access arrangements, vehicle and cycle parking, and landscaping indicates that due regard has been given to highway safety, accessibility, and the character of the surrounding area. I also welcome the investment in local infrastructure that accompanies the development.

Overall, I believe this proposal offers social and economic benefits to the area and aligns with the objectives of delivering much-needed housing in suitable locations. I therefore support the application and hope it is approved.

Kind regards
