Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Why are new houses being proposed when the amenities are not in place to keep up with increased population ? We have constant water shortage & hose bans in this area. The roads are worse than the third world & you want to put more strain on the area ?? Traffic from Cuckfield / Balcombe to the Northern end of the town

is horrendous at peak times & this will exacerbate the problem even more.

Not to mention eroding what is left of the countryside - Mid Sussex is turning into a concrete jungle.

This proposal is nothing short of stupidity.

Kind regards
