Reasons for comment:	
Comments:	I strongly reject this planning proposal, traffic on the roads near the proposed site is already bad enough. You would be destroying a beautiful environment and have once again failed to think about local amenities such as another drs surgery, dentist or school. This would also cause havoc with people trying to visit Borde Hill which is busy at the best of times especially in the summer. The current road layout is unsuitable for the amount of cars that are already in the area, it's highly unsafe. All the local schools are

oversubscribed as are the drs surgeries and dentists. Adding more houses to the area is not the answer!

Kind regards
