Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Project is unsuitable for area. There are no shops, GP services. The road is terribly narrow and unsuitable for the additional traffic. Transport is limited to 84 bus which only runs every two hours. The road would not take more buses as it is so narrow and unsuitable for large vehicles. The area is flooded every winter. The project should be rejected.

Kind regards
