Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The site appears to be outside the Built-Up Area Boundary in the District Plan. It is also on High Weald National Landscape/AONB land. Surely this is not the best place for further development, and will create a precedent for further encroachment onto this land. Access onto West Hoathly Road is not ideal, visibility is not very

good at this point.

Kind regards
