Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object on the grounds of: 1, environmental impact by destroying precious wildlife habitats. Habitats are slowly being taken away. This trend has to be halted. 2, extra traffic on the road and surrounding roads which the new development would be serving. The road directly outside the development is a small road and would be dangerous with extra traffic. 3, stress on local services. More demand on doctors, dentists &

hospitals. It is impossible to register at these services already.
This development would stretch these services even more.

Kind regards
